

# WHAT IS DEGREED?

Degreed helps you quickly and easily discover, share, and track ALL kinds of learning resources -- from courses to videos to articles and more.

## HOW DOES DEGREED WORK?

### Content

Degreed connects you to the world's largest collection of professional learning content -- over 250,000 courses and more than 3 million articles and videos from 1,200 sources. All in one place.

### Tools

Degreed empowers you to learn every day, with powerful tools, including learning pathways tied specifically to your role and career goals, a daily learning playlist, unified search and sharing. You can also follow people and groups, so you can learn with (and from) your colleagues.

### Insights

Degreed tracks ALL the learning you do -- the courses you take, the books and articles you read, even the videos you watch. Then you can view, share and get recognized for your progress with your own personalized profile and dashboard.

### All Yours

Best of all, the record of everything you've done to skill up is yours. You own it. You control who sees what, and it follows you throughout your career...wherever you go.

## WHAT'S IN IT FOR YOU?

- ◆ Find what you need to build your career. Fast.
- ◆ Get access to premium courses, TED Talks, articles and much more. All in one place.
- ◆ Learn what you need to do your job. When, where and how you want.
- ◆ Find mentors. Follow people and groups.
- ◆ Get recognized for all the learning you're already doing. Every day.
- ◆ Rate, recommend and share. Keep up with what your peers are learning.

## GET STARTED TODAY.

The first thing you need to do when creating your profile, is to select the categories you want to learn about. Then Degreed will start suggesting learning content tailored to your needs. You can modify your learning categories anytime from your profile settings. Select the down arrow in the upper-right hand corner of the screen, then select "Settings."
