

# Earn Up To 6 Credits in Roatan, Honduras!

## 8<sup>th</sup> Annual International Business Practicum

This is NOT a vacation trip. Instead, you'll learn first-hand from local experts in Roatan how that country's economy and future are emerging and the possible implications for the Cayman Islands.

### Lectures in Roatan by local scholars include:

- Roatan economy and investment laws
- Roatan private businesses
- Planning and infrastructure of cruise ship docking ports
- Policy for crime controls in Roatan
- Overview of Roatan's education system
- Assessing the Honduras and Belize relationships

Students will also enjoy numerous cultural sites, shopping opportunities, and entertainment.
